Dear Parents, Carers, Neighbours and Members of our Diptford Village Community,

We are writing to let you know that the planning application for two new classrooms at Diptford Church of England Primary school has now been submitted and validated by South Hams Planning Department and can be viewed at:

Thank you to everyone who was able to attend the public consultation on the 10th February. We hope that we were able to provide all of the information needed to support our application. However, if anyone still has any unanswered questions or would like any additional information or has any comments then please do contact Matt Matthew our Deputy CEO (mattmatthew@thelink.academy) or the school.

This project will provide our children with two brand new classrooms and learning environments allowing our pupils to flourish and our school to grow. We can't wait to see the final results. We will keep you informed of all major milestones or general progress via a page we have set up on our website [Diptford Church of England Primary School - Latest updates \(thelink.academy\)](https://www.thelink.academy/diptford-church-of-england-primary-school-latest-updates) or through social media.

We thank you for your continued support with our exciting building project.

Kind regards,

H Edgington
