18. What support is available for me and my family?	11
19. Glossary	12

The aim of this information report is to explain how we implement our SEND policy. In other words, we want to show you how SEND support works in our school.

If you want to know more about our arrangements for SEND, read our SEND policy. You can find it on our website: [Diptford Church of England Primary School - SEND Information \(thelink.academy\)](https://www.thelink.academy/SEND-Information)

Note: If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

1. What types of SEN does the school provide for?

Our school provides for pupils with the following needs:

AREA OF NEED	CONDITION
Communication and interaction	Autism spectrum condition
	Developmental Language Disorder
	Speech and language difficulties
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia, dyscalculia
	Moderate or severe learning difficulties
Social, emotional and mental health	Attention deficit hyperactive disorder (ADHD)
	Attention deficit disorder (ADD)
	Anxiety disorders
Sensory and/or physical	Hearing impairments
	Visual impairment
	Multi-sensory impairment
	Physical impairment

2. Which staff will support my child, and what training have they had?

Within the Link Academy Trust, we have the support from the Improvement and Inclusion Hub IIH. These are teachers and professionals with specific skills and expertise who support our school-based SENCOs. You can find out more about their work here. (https://www.thelink.academy/web/inclusion_improvement_hub/557170)

All staff in Diptford work together to develop their skills and knowledge in supporting pupils with SEND.

Our special educational needs co-ordinator, or SENCO

Our SENDCO, Ms Rosina Kellman, has 9 years' experience in this role and has completed her National SENDCO Award in 2016. She has worked as a Class Teacher, THRIVE Practitioner and Registered Nurse. The SENDCO is allocated 3 hours a week to manage SEND provision.

To contact Rosina, please e-mail admindiptford@thelink.academy (Marked as CONFIDENTIAL - FAO: Rosina Kellman)

Our SEND lead, in school day to day, is our Head Teacher is Mrs Edgington. Within the academy we also have Fran McLoughlin (Trust Inclusion Director) and Rebecca HUmpheys (Inclusion Hub Lead) who have both completed their National SENDCO Award. Catherine supports SEND at our school.

Class Teachers

All of our teachers receive in-house SEN training, and are supported by the SENCO to meet the needs of pupils who have SEN. They are also supported through the work of the IIH and access support and training.

This year, we are focusing on developing the relational approach and this is identified within our Academy school improvement plan.

Teaching assistants (TAs)

We have a team of three TAs, including one HLTA.

Our teaching assistants who are trained to deliver interventions such as phonics catch up, speech and language link, precision teaching and number stacks. In the last academic year, TAs have been trained in the use of phonics catch up programmes.

External agencies and experts

Sometimes we need extra help to offer our pupils the support that they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEN and to support their families. These include:

- Speech and language therapists
- Educational psychologists (through the 'MAST' team)
- Occupational therapists
- GPs or paediatricians
- School nurses
- Child and adolescent mental health services (CAMHS)
- Attendance Improvement Officer
- Social services and other LA-provided support services
- Voluntary sector organisations

3. What should I do if I think my child has SEN?

Tell us about your concerns

We will invite you to a meeting to discuss them

We will decide whether your child needs SEN support

If you think your child might have SEND, the first person you should tell is your child's teacher.

To make contact, please contact the school office to make an appointment.

They will pass the message onto Mrs Edgington who will be in touch to discuss your concerns.

You can also contact the SENCO directly by phoning school.

We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are.

Together we will decide what outcomes to seek for your child and agree on next steps.

We will make a note of what's been discussed and add this to your child's record. You will also be given a copy of this on request.

If we decide that your child needs SEN support, we will discuss this with you and your child will be added to the school's SEND register. Your child will then have outcomes recorded on a provision map and you will receive a copy of this.

4. How will the school know if my child needs SEN support?

All our class teachers are aware of SEND and are on the lookout for any pupils who aren't making the expected level of progress in their schoolwork or socially. This might include a delay in their social skills, communication, **reading, writing or number work or difficulties with focus and attention.**

If the teacher notices that a pupil is falling behind, they try to find out if the pupil has any gaps in their learning. If they can find a gap, they will give the pupil extra support to try to fill it. Pupils who don't have SEN usually make progress quickly once the gap in their learning has been filled.

If the pupil is still struggling to make the expected progress, the teacher will talk to the SENCO, and will contact you to discuss the possibility that your child has SEN.

The SENCO will observe the pupil in the classroom and in the playground to see what their strengths and difficulties are. They will have discussions with your child's teacher/s, to see if there have been any issues with, or changes in, their progress, attainment or behaviour. They will also compare your child's progress and development with their peers and available national data.

The SENCO will ask for your opinion and speak to your child to get their input as well. They may also, where appropriate, ask for the opinion of external experts such as a speech and language therapist, an educational psychologist, or a paediatrician, but this will always be done with your consent and knowledge.

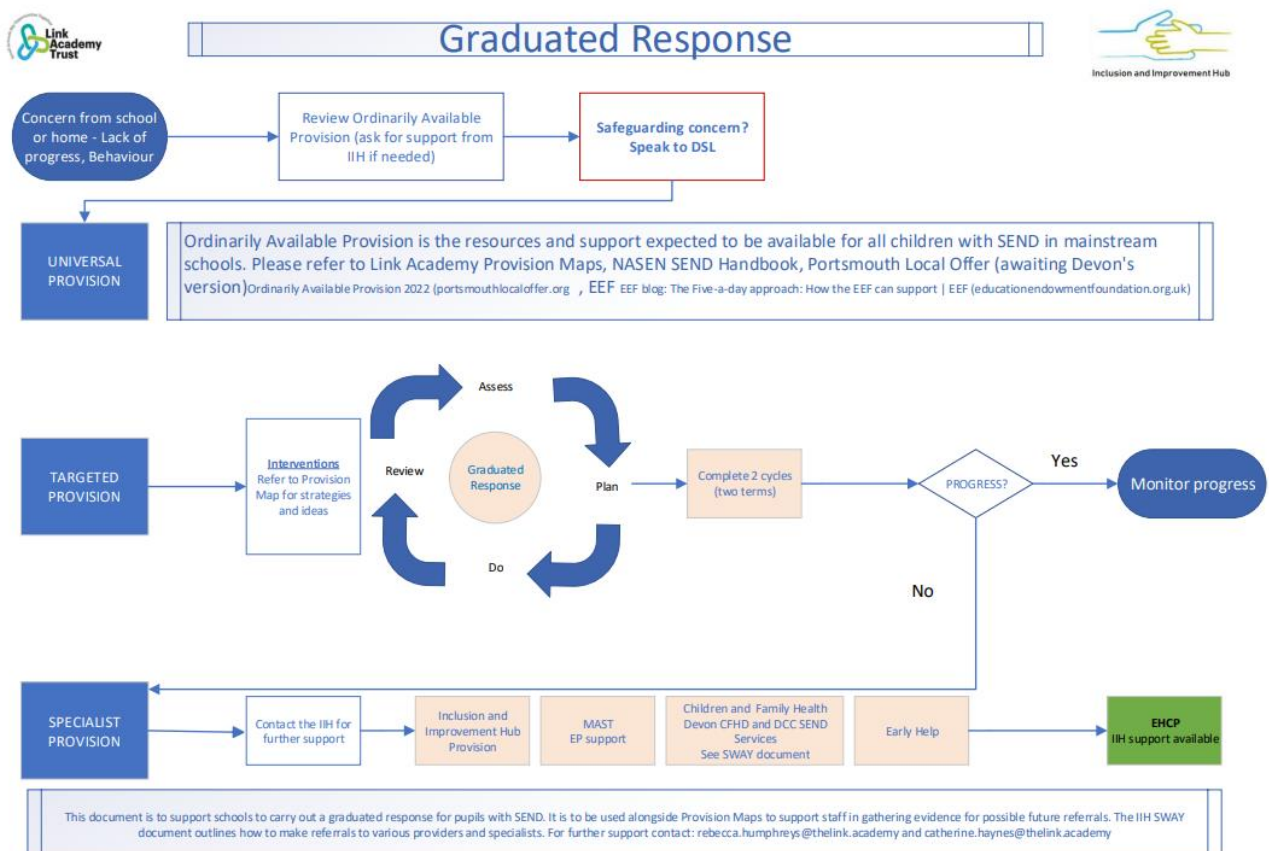

Based on all of this information, the SENCO will decide whether your child needs SEN support. You will be informed of this decision.

If your child does need SEN support, their name will be added to the school's SEND register, and the SENCO will work with you to create a SEN support plan for them in the form of a provision map.

5. How will the school measure my child's progress?

We will follow the 'graduated approach' to meeting your child's SEN needs.

The graduated approach is a 4-part cycle of **assess, plan, do, review**. This cycle can be repeated as required.

As a part of the planning stage of the graduated approach, we will set outcomes that we want to see your child achieve.

Whenever we run an intervention with your child, we will assess them before the intervention begins. This is known as a 'baseline assessment'. We do this so we can see how much impact the intervention has on your child's progress.

We will track your child's progress towards the outcomes we set over time and improve our offer as we learn what your child responds to best.

This process will be continual. If the review shows a pupil has made progress, they may no longer need the additional provision made through SEN support. For others, the cycle will continue, and the school's targets, strategies and provisions will be revisited and refined.

6. How will I be involved in decisions made about my child's education?

We will provide an annual written report on your child's progress.

Your child's class teacher will meet you regularly (termly or as required), to:

- Set clear outcomes for your child's progress.
- Review progress towards those outcomes
- Discuss the support we will put in place to help your child make that progress.
- Identify what we will do, what we will ask you to do, and what we will ask your child to do.

The SENCO may also attend these meetings to provide extra support where requested.

We know that you're the expert when it comes to your child's needs and aspirations. We want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEN support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

After any discussion we will make a record of any outcomes, actions and support that have been agreed. This record will be shared with all relevant staff, and you will be given a copy.

If you have concerns that arise between these meetings, please contact your child's class teacher.

7. How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age, and level of competence. We recognise that no two children are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes.
- Prepare a presentation, written statement, video, drawing, etc.
- Discuss their views with a member of staff who can act as a representative during the meeting.
- Complete a survey.

8. How will the school adapt its teaching for my child?

Your child's teachers are responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will differentiate (or adapt) how we teach to suit the way the pupil works best. There is no 'one size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child.

These adaptations include:

- Differentiating our curriculum to make sure all pupils are able to access it, for example, by grouping, 1-to-1 work, adapting the teaching style or content of the lesson, etc.
- Differentiating our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, offering visuals and concrete resources etc.
- Adapting our resources and staffing flexibly
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Teaching assistants will support pupils on a 1-to-1 basis when there is an identified need that can't be otherwise met; this may often be because they have an intervention requested by an external professional such as an OT or speech & language therapist. As a rule, children do not access 1-1 support even with an EHCP unless there is a clear rationale for this.
- Teaching assistants will support pupils in small groups when they need to deliver an intervention that requires a more focussed approach, this may take place outside the classroom.

We may also provide the following interventions:

AREA OF NEED	CONDITION	HOW WE SUPPORT THESE PUPILS
Communication and interaction	Autism spectrum disorder	Visual timetables Social stories Relational Support Plan Calm learning environment with reduced sensory overload Ear defenders
	Speech and language difficulties	Speech and language therapy Pre-teaching Colourful Semantics
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia and dyscalculia	Writing slope Use of a laptop/tablet Spelling lists and dictionaries. Coloured overlays
	Moderate learning difficulties	
	Severe learning difficulties	
Social, emotional and mental health	ADHD, ADD	Quiet workspace Fiddle objects Movement breaks
	Adverse childhood experiences and/or mental health issues	Nurture group Trusted adult/ mentor assigned to pupil. Access to IHH woodland

Sensory and/or physical	Hearing impairment	Seating to optimise hearing
	Visual impairment	Careful choice of display material
	Multi-sensory impairment	
	Physical impairment	Sufficient space in classroom for safe access

These interventions are part of our contribution to Devon's local offer.

9. How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

- Reviewing their progress towards their goals each term
- Reviewing the impact of interventions at least termly
- Using pupil questionnaires
- Monitoring by the SENCO
- Using provision maps to measure progress
- Holding an annual review (if they have an Education, health and care (EHC) plan)

10. How will the school resources be secured for my child?

It may be that your child's needs mean we need to secure:

- Extra equipment or facilities
- More teaching assistant hours
- Further training for our staff
- External specialist expertise

If that's the case, we will consult with external agencies to get recommendations on what will best help your child access their learning.

The school has funding in its budget to support children with additional needs. In Link Academy Trust the majority of this funding is shared across the MAT and is used to secure staffing (such as teaching assistants), to give release time to SENCOs, to access external support that charge for their services to schools, such as Educational Psychologists and to develop and support the work of the IIH. If funding is needed beyond this, we will endeavour to seek it from our local authority.

11. How will the school make sure my child is included in activities alongside pupils who don't have SEND?

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs.

All pupils are encouraged to go on our school trips, including our residential trips and we will make adjustments wherever possible to ensure this. All pupils are encouraged to take part in sports day, school plays, special workshops etc. and where we are unsure of suitability this will be discussed with the parent.

No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included.

12. How does the school make sure the admissions process is fair for pupils with SEN or a disability?

The Link Academy Trust is our admissions authority. All admissions are dealt with fairly and in line with the Admissions Code, this includes that all prospective pupils whose EHC plan names the school will be admitted before any other places are allocated. Link ensures that our oversubscription criteria avoid unfairly disadvantaging prospective pupils with a disability or special educational needs. The school's admissions policy can be found here [Diptford Church of England Primary School - Admissions \(thelink.academy\)](#) on the school website or by request to the school. This includes details of how to appeal.

13. How does the school support pupils with disabilities?

Our definition of disability is defined by the Equality Act 2010 which states describes a disability as a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

Please see our accessibility plan for further details [Diptford Church of England Primary School - SEND Information \(thelink.academy\)](#)

14. How will the school support my child's mental health and emotional and social development?

- We provide support for pupils to progress in their emotional and social development in the following ways:
- We take part in a range of activities such as Mental Health Week and also explore mental health through our PSHE Jigsaw lessons and in PE.
- Pupils with SEND are encouraged to be part of the school council.
- We provide extra pastoral support for listening to the views of pupils with SEND.
- We have a 'zero tolerance' approach to bullying and aim to raise the profile of bullying through participation in 'anti-bullying week' and through our values led assemblies.
- All staff are currently receiving training in using the [Relational Approach](#) across the school where we put relations at the heart of school life and use compassion and an understanding of regulation to support all pupils

15. What support will be available for my child as they transition between classes or settings?

Between years

To help pupils with SEND be prepared for a new school year we:

- Ask both the current teacher and the next year's teacher to attend a meeting at the end of the year when the pupil's SEN strengths and needs are discussed.
- We timetable transition sessions so that towards the end of the summer term children spend time in their new class.
- We may put in place enhanced transition arrangements if we feel that this would benefit the child, including local secondary schools.

Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting. All records will be passed to the receiving school as soon as possible and in line with GDPR.

Between phases

The SENCO of the secondary school will contact our school for a meeting with our SENCO. They will discuss the needs of all the children who are receiving SEN support.

Pupils will be prepared for the transition by:

- Discussing a secondary school timetable
- Learning how to get organised independently.
- Where possible they will attend an enhanced transition and have additional visits

16. What support is in place for looked-after and previously looked-after children with SEND?

The Academy Head will work with our SENCO, to make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEN might interact, and what the implications are for teaching and learning. We are also supported by Devon's Virtual School, further information can be found

here or speak to us in school <https://www.devon.gov.uk/educationandfamilies/young-people/children-in-care/education-of-children-in-care/>

Children who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after pupils will also have a personal education plan (PEP). We will make sure that the PEP and any SEN support plans or EHC plans are consistent and complement one another.

17. What should I do if I have a complaint about my child's SEN support?

Our school's complaints procedure can be found here on our website. [Diptford Church of England Primary School - Policies \(thelink.academy\)](#)

Complaints about SEN provision in our school should be made to the Academy Head, Mrs Holly Edgington in the first instance. They will then be referred to the school's complaints policy.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupils themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

If you feel that our school discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first tier SEND tribunal. To find out how to make such a claim, you should visit: <https://www.gov.uk/complain-about-school/disability-discrimination>

You can make a claim about alleged discrimination regarding:

- Admission
- Exclusion
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal.

Contact details of the disagreement resolution and mediation services for Devon are: Global Mediation and you can contact them on 0800 064 4488 or email sen@globalmediation.co.uk to find out more.

18. What support is available for me and my family?

If you have questions about, SEND, or are struggling to manage and understand your child's needs, please get in touch to let us know. We want to support you, your child and your family.

To see what support is available to you locally, have a look at Devon's local offer <https://www.devon.gov.uk/education-and-families/send-local-offer/>

Our local special educational needs and disabilities information advice and support services (SENDIASS) organisations are able to give impartial and confidential support to families. They can be contacted at: <https://devonias.org.uk/> or on 01392 383080.

Link to all [local SENDIASS organisations](#) in your catchment area.

National charities that offer information and support to families of children with SEND are:

- [IPSEA](#)
- [SEND family support](#)
- [NSPCC](#)
- [Family Action](#)

- [Special Needs Jungle](#)

19. Glossary

- **Access arrangements** – special arrangements to allow pupils with SEND to access assessments or exams.
- **Annual review** – an annual meeting to review the provision in a pupil's EHC plan.
- **Area of need** – the 4 areas of need describe different types of needs a pupil with SEND can have. The 4 areas are communication and interaction; cognition and learning; physical and/or sensory; and social, emotional and mental health needs.
- **CAMHS** – child and adolescent mental health services
- **Differentiation** – When teachers adapt how they teach in response to a pupil's needs.
- **EHC needs assessment** – the needs assessment is the first step on the way to securing an EHC plan. The local authority will do an assessment to decide whether a child needs an EHC plan.
- **EHC plan** – an education, health and care plan are a legally-binding document that sets out a child's needs and the provision that will be put in place to meet their needs. These are issued by the local authority.
- **First-tier tribunal/SEND tribunal** – a court where you can appeal against the local authority's decisions about EHC needs assessments or plans and against discrimination by a school or local authority due to SEND.
- **Graduated approach** – an approach to providing SEN support in which the school provides support in successive cycles of assessing the pupil's needs, planning the provision, implementing the plan, and reviewing the impact of the action on the pupil.
- **Intervention** – a short-term, targeted approach to teaching a pupil with a specific outcome in mind.
- **Local offer** – information provided by the local authority which explains what services and support are on offer for pupils with SEN in the local area.
- **Outcome** – target for improvement for pupils with SEND. These targets don't necessarily have to be related to academic attainment.
- **Reasonable adjustments** – changes that the school must make to remove or reduce any disadvantages caused by a child's disability.
- **SENCO** – the special educational needs co-ordinator
- **SEN** – special educational needs
- **SEND** – special educational needs and disabilities.
- **SEND Code of Practice** – the statutory guidance that schools must follow to support children with SEND.
- **SEN information report** – a report that schools must publish on their website, that explains how the school supports pupils with SEN.
- **SEN support** – special educational provision which meets the needs of pupils with SEN.
- **Transition** – when a pupil moves between years, phases, schools or institutions or life stages.
